PRELIMINARY AMENDMENT

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

Prior to the initial examination of the above-identified application, Applicants respectfully request that the application be amended as follows.

IN THE ABSTRACT OF THE DISCLOSURE

Please amend the Abstract by rewriting same to read as follows.

A recording medium in which data is recorded in the form of a track consisting of a plurality of bits. Second data is recorded on the medium in the form of a plurality of bits that are displaced in a direction normal to the track. Content data representing the contents of the first data is also recorded on the recording medium. The content data includes identification data that indicates whether the second data is recorded on the recording
